## WHAT THEY THINK

A reporter for the Press has interviewed a number of Marion people on the results of Tuesday's election. Their one-sentence comments are given below.

J. A. Moore—I was expecting victory but wasn't looking for such a landslide.

S. M. Jenkins—They might as well have made it unanimous.

C. W. Haynes—The American people evidently thought that Wilsonism is not Americanism.

Joe Dick Vaughn—No use talking, we're beat.

John A. Moore—A rebuke to Wilsonism and a death to the League of Nations.

Rev. T. C. Carter—I believe we'll get the League of Nations yet, we must have it.

J. I. Elder, Jr.—Pretty good, but I'd rather we'd got Georgia and Alabama.

R. M. Willson—I'm ashamed of the Republican party for being so greedy.

L. E. Guss—I rejoice to the full that our nation's affairs are to be supervised by Harding and Coolidge and that the voters of Crittenden county did their full part.

W. H. Willson—I think Ford Perry ought to have a chance.

R. E. Haynes—There could have been but one result—Republican success.

James Kinsey—I'm not talking much about it but a fellow can't keep from thinking a lot.

E. L. Haysden—It was simply a sane, plain knockout for the Democrats.

Mr. Leaffa Willson—I consider Tuesday's victory the most wonderful in the history of the Republican party.

David C. Taylor—I'm not commenting much on this election.

Will Clifton—It was.

A. M. Gilbert—We had to have an undivided party, no argument by many dissatisfied elements.

J. G. Hunter—In all great constructive measures the right side is usually in the minority.

Rev. K. E. Kinsler—Being a minister I've not taken an active part in the campaign, but I consider the result extremely successful.

J. J. Lister—While the result was a disappointment to me, I believe it was the best result.

P. M. Ward—I don't know just how it was done or what struck us, but we're covered now.

Dr. T. A. Frazer—The results of Tuesday's election prove to me that the will of the people is supreme.

C. E. Nunn—I have no grudge; we lost and that is all there is to it.

D. I. Travis—It was fine that the American people are restored back to their freedom.

R. F. Wheeler—What better the American people gets at.

T. H. Cochran—We're beaten but not subdued.

R. F. Wilcox—The people of Crittenden county have shown by a majority of more than 1,000 that they did not want another four years of "Cozy Wilsonism" and mental torpor in a league controlled by alien governments.

Senator Belmont—The American people were not satisfied with the present administration and did not want the Versailles League of Nations.

D. H. Franks—Victory won through ignorance and misrepresentation, and as a result of Republican triumph and the loss of the League of Nations the country will be stained with the blood of American boys.

J. H. Nimmo—If we could have fingered with 'em in Kentucky.

Louis Clifton—They beat us, but our day will come later on.

W. E. Wilcox—When the people of any country will vote for a man instead of a principle of the highest expediency for the world we have in the hope of the salvation of that country.

Mrs. Giddens—Spent the day when candidates will be elected upon their merits instead of money and chicanery.

A. C. Moore—A great victory, due to the fact that the people are against the League of Nations and have entire confidence in the Republicans giving them a business administration and looking after the best welfare of the nation.

Dr. J. B. Gilchrist—When big interests pour out their coin, labor pays the bill.

## HIG DAY AT GIVEN'S RESTAURANT

Though every day is a good day for business at Guy Given's restaurant Tuesday of election day was something out of the ordinary at that popular eating place. On that day he employed four cooks, five waiters and three clerks. They served lunch, dinner, and supper. There were 100 head of live and half bushels of potatoes, 100 pounds of beef, 100 pounds of pork, 100 pounds of pork sausage and 100 pounds of ham. Besides all this, there were 100 pies, 100 loaves of bread and lots of other good things.

It is no wonder that Mr. Given's was a good business for he lets the public know what he has by advertising.

In the missing news last week by an error it was stated that the Big Four Mine, owned and operated by A. H. Reed, had temporarily closed down. This is a mistake, as that mine is still running in full force.

Mr. and Mrs. Jasper Walker and Mrs. J. W. Lynn, of Livingston county, were in Marion Sunday enroute to visit the family of Thomas Walker.

## HEREFORD SALE WELL ATTENDED

The big auction sale of registered Hereford cattle at the Crayne View Stock Farm, near Crayne, owned by Mr. W. R. Cruce, came off on scheduled time, the weather was all that could be desired and the crowd, though not so large, was an interesting one. The sale, especially from the standpoint of the buyer, was a success. Registered Hereford cattle are something new in Crittenden county and Mr. Cruce deserves much credit for introducing such fine cattle to our farmers.

All the cows sold of breeding age are bred to W. R. Cruce's herd bull, Wilson Fairfax, a son of Davis Mc Cray, who was the champion Jr. bull at the Louisville State Fair in 1916 and a grandson of old Point Comfort.

A number of cows were bought by Crittenden county people. Judge J. W. Blair bought six head, including the prize heifer, Su Suzanne, by Rex Jr., for which he paid \$250. His purchase also included Sweet Violet Lady May, Martha Donald, British Lady II and Jewell Fairfax.

J. N. Huston bought the extra head young bull, Tonic Fairfax.

Jackson Hodge, of New bought Donald Fairfax II, a young bull of excellent individuality and breeding. He also was the purchaser of Violet, Fritz Scheff and Minnie Bell, all highly bred and of excellent quality.

James Stegar, of Princeton purchased ten head, including Mrs. Donald Fairfax, the splendid grand daughter of Edson, who was sired by the great Beau Redford.

Dixie Satterfield, of Princeton bought the two highly bred cows, Margie, who was sired by the great and fashionably bred bull, Earl, the splendid cow, Viola, daughter of Lord Erling.

T. Y. Ordway, of Princeton purchased Chief Fairfax, a young bull of splendid size and quality.

W. D. Sullenger purchased the highly bred heifer, Meadow Rose.

## OIL COMPANY ORGANIZED

Crittenden county at last is to have some development for oil. The Oilmax Oil Corporation yesterday announced having their well drilling machinery to the farm of Mr. W. F. O'Hara, three miles east of Princeton, near Cedar Bluff station, and well within a very few days begin drilling for oil. This movement has been underway for about two months and almost as quietly as the breaking dawn, without the blowing of trumpets, the drilling machinery was unloaded at Princeton, preparatory to commencing what may prove of tremendous importance to this community.

For years many of our people have been strong in the belief that oil existed in this county. Eighteen years ago a well was drilled about one-fourth mile south of where the drill rig is being placed. Oil was found but not in paying quantity, due largely to the fact, at that time, oil was very cheap and none but the very best producing wells paid. The location for the first well to be drilled is near the old well and recently an extensive investigation was made of the territory adjacent by an experienced geologist with the result the company decided to drill near the oil well.

About two months ago, Messrs. F. K. Wylie, A. M. Lantrell, W. C. O'Hara and Jno. W. Belmont made a contract with Mr. H. S. Hale, Jr., of Fort Worth, Texas, to drill for oil in this county. Immediately thereafter, these gentlemen set about to secure leases for this purpose, later Mr. Hale associated himself with several experienced oil developers, with the result the Oilmax Oil Corporation was organized.

The principal office of the company will be in Princeton, Ky. and the following officers have been chosen: H. S. Hale, Jr., President, Nicholas Foss Vice-President, A. F. Coughlan, Secretary, Frank K. Wylie, Treasurer, Princeton, Kentucky.

## PLEASANT HILL

## NEWSPAPER ADVERTISING

One of the best things along educational lines and which has secured a great deal of commendable publicity from newspapers and letters of endorsement from Business Organizations in the largest cities, is the lecture and moving pictures on Retail Merchandising that is being sent out by the National Cash Register Company of Dayton, Ohio. The Chamber of Commerce has been able to secure this entertainment for the benefit of the merchants and clerks of Marion and will be presented at the Strand Theatre Monday evening, Nov. 22, at 7:30 o'clock.

R. KENNEDY  
Of National Cash Register Co.

The title of the picture is "Getting the Most Out of Retailing." The film story is one of the cleverest pieces of work ever produced covering retail merchandising.

The wide-awake business man of today is eager to keep pace with the latest ideas of storekeeping and better ideas in merchandising and these pictures and lecture come to our city at an opportune time. The lecture covers Retail Failures and their causes, store organization, newspaper advertising, window display, salesmanship, system in retail business, and business credit.

Any one of these subjects would be of great interest to merchants and clerks. The one in particular which has received favorable consideration from the business man of today is "the value of newspaper advertising—judiciously and constantly used." The lecturer will give some useful hints along these lines, as well as other phases of efficiency methods, that will be helpful to the merchants and clerks.

The National Cash Register Company has long been recognized as a leader in Community and Welfare work. A film showing some of the main features of this work will precede the business lecture.

## DIPLAMATORY CONTEST

The seventh annual contest in Division Two was a success, though thirteen of the nineteen schools in the division were not represented. The program was ably conducted by J. W. Foss, of Princeton, chairman of the contest.

"An Independent Pair" was skillfully recited by Davis Hurley from Glendale, who won first prize, ten dollars in gold.

In "The Heart of Old Hickory," Virginia Terry, of Forest Grove, who won second prize, five dollars in gold, played to be a very close second.

Each contestant proved a worthy opponent and was followed by a crowd of loyal supporters. The six schools were well represented by the following contestants:

Davis Hurley, Glendale, Virginia Terry, Forest Grove, Kyle Thomas, Hickory, Italy, Newmarket, Bethel, Allen, Luray, Glendale, and Forest Grove, Glendale, Kentucky.

Division Two is proud of the representation for the County Contest and predicts a winner at Marion on November 26.

## The NEW EDISON

THE THREE MILLION  
DOLLAR PHONOGRAPH

Thomas A. Edison invented the phonograph in 1877. Later he  
improved his original phonograph to a point where his business ad-  
visors said to him, "You now have the best phonograph in existence.  
Let's go ahead and market it."

Mr. Edison shook his head and replied, "I am not going to put  
out a new phonograph until it is so perfect that its reproduction of  
music cannot be detected from the original music."

Thomas A. Edison spent three million dollars in gold cash to de-  
velop an instrument which matched the human voice and all kinds of  
musical instruments so perfectly that the original could not be told from  
the reproduction—or RE-CREATION, as it is now called.

We are prepared to sell you today an exact duplicate of Edison's  
three million dollar Phonograph. You may even have extended terms  
of payment, if you desire that accommodation. First of all, however,  
we want you to hear this wonderful new instrument.

May we have the pleasure of demonstrating to you that Moore's  
RE-CREATION is a reality and not merely a fanciful phrase?
